VITAMIN C GEL

Helps fade the appearance of sun/age spots, protect from free radical damage and smooth skin's surface

KEY INGREDIENTS:

- Tetrahexyldecyl Ascorbate (Vitamin C Ester) 20%
- Dimethicone

KEY BENEFITS:

- Skin appears smoother and firmer within 8-10 weeks of use, with noticeable improvements in color and texture
- Light, silicone-based gel softens, evens the surface of skin and provides an ideal base for makeup application
- Inhibits the formation of hyperpigmentation
- Gentle enough for sensitive skin and to use around eyes

WHY IT WORKS:

- Vitamin C, an antioxidant, has been shown to stimulate collagen production for firmer skin and to produce a more consistent skin tone for correcting pigmentation issues
- Contains a stable form of vitamin C that easily penetrates skin

HOW TO USE:

Apply a dime size amount over the entire face, neck, and chest areas.

COMPANION PRODUCTS:

- Pearl Cleanser
- GF-Eye Gel
- Hyaluronic Moisturizer or Cream

CLINICAL USE:

Home use

SKIN TYPES: Dry, Combination, Oily, Sensitive

VITAMIN C SERUM 12%

Helps brighten, tone and firm the look of aging and photo-aged skin without irritating sensitive skin types

KEY INGREDIENTS:

- Tetrahexyldecyl Ascorbate (Vitamin C Ester) 12%

KEY BENEFITS:

- Helps brighten and even skin tone and is gentle enough to be used around the eyes to reduce the appearance of dark circles
- Light, breathable silicone base softens and smooths and provides a barrier against moisture loss and the environment
- Inhibits the formation of freckles
- Great for acne, rosacea and sensitive skin

WHY IT WORKS:

- Vitamin C, an antioxidant, has been shown to stimulate collagen production for firmer skin and to produce a more consistent skin tone for correcting pigmentation issues
- Contains a stable form of vitamin C that easily penetrates skin

HOW TO USE:

At night, may be applied after Hyaluronic Cream or other moisturizers, such as Hyaluronic Moisturizer or Pure Squalane. Place 2-3 drops in the palm of your hand and apply to entire face, neck and chest.

COMPANION PRODUCTS:

- Pearl Cleanser or Crystal Cleanser
- Hyaluronic Moisturizer
- GF-Eye Gel

CLINICAL USE:

Apply under masks, or apply after Hyaluronic Moisturizer at the end of a facial.

SKIN TYPES: Dry, Combination, Oily, Problematic, Sensitive

VITAMIN C SERUM 20%

Helps brighten, tone and firm aging and photo-aged skin while smoothing and softening

KEY INGREDIENTS:

- Tetrahexyldecyl Ascorbate (Vitamin C Ester) 20%

KEY BENEFITS:

- Helps even skin tone and fade the appearance of acne scars with a high concentration of vitamin C for maximum results
- Light, breathable silicone base softens and smooths and provides a barrier against moisture loss and the environment
- Inhibits the formation of hyperpigmentation
- Great for acne skin

WHY IT WORKS:

- Vitamin C, an antioxidant, has been shown to stimulate collagen production for firmer skin and to produce a more consistent skin tone for correcting pigmentation issues
- Contains a stable form of vitamin C that easily penetrates skin

HOW TO USE:

At night, may be applied after Hyaluronic Cream or other moisturizers, such as Hyaluronic Moisturizer or Pure Squalane. Place 2-3 drops in the palm of your hand and apply to entire face, neck and chest.

COMPANION PRODUCTS:

- Crystal Cleanser
- Hyaluronic Moisturizer
- Eye Cream

CLINICAL USE:

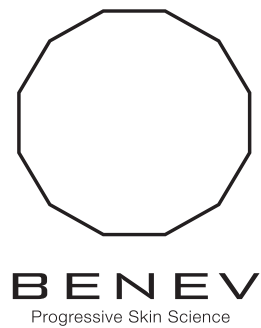

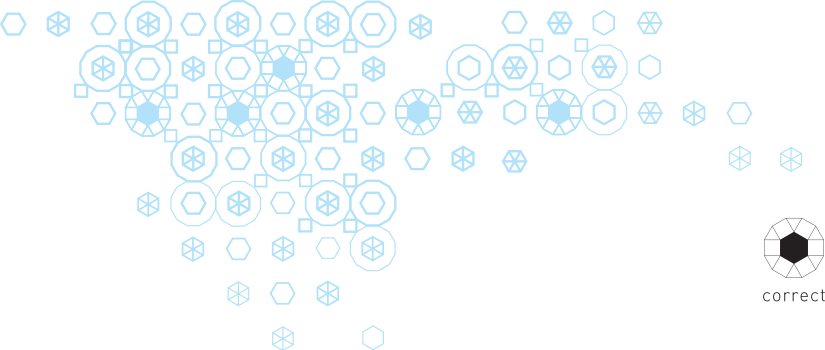

Apply under masks, or apply after Hyaluronic Moisturizer at the end of a facial.

SKIN TYPES: Dry, Combination, Oily, Problematic, Sensitive

REDOXA CREAM

Intensive anti-aging cream that promotes firmer, tighter skin and youthful glow

KEY INGREDIENTS:

- DMAE
- CoEnzyme Q10
- Tetrahexyldecyl Ascorbate (Vitamin C)

KEY BENEFITS:

- Encourages collagen production for a firmer look
- Targets fine lines and wrinkles
- Protects skin from free radical damage with two potent antioxidants, vitamins E and C
- Lightweight and non-greasy

WHY IT WORKS:

- Contains a highly concentrated combination of powerful anti-aging ingredients to improve the appearance of aging skin
- Moisturizes and soothes inflammation for a supple, radiant complexion

CLINICAL USE:

Home use

HOW TO USE:

Apply generously to face and neck area before bedtime. Works best on fine lines around lips and eyes and for loss of firmness in the skin around neck, eyelids and cheeks.

COMPANION PRODUCTS:

- Vitamin C Gel
- GF-DNA Serum

SKIN TYPES: Dry, Combination, Oily, Problematic, Sensitive

RETINOL CREAM

Diminishes the appearance of fine lines and wrinkles and helps improve skin tone

KEY INGREDIENTS:

- Retinol (Vitamin A)
- Squaline
- Rosehip Seed Extract

KEY BENEFITS:

- Retinol helps improve elasticity and skin tone, fade scarring and diminish the appearance of fine lines and wrinkles
- Helps to improve acne skin and prevent future breakouts
- Smooths rough, dry skin
- Supports cell renewal and healthy collagen production

WHY IT WORKS:

- Contains a highly active form of vitamin A that penetrates deeply to counteract the processes that lead to wrinkled, photo-aged skin
- Gentle formula to minimize potential irritation typically associated with products containing retinoids

CLINICAL USE:

Home care

HOW TO USE:

At night, massage a small amount into affected areas (face, neck, chest). Avoid contact with eyes, nostrils, and mouth. Wash hands immediately after use.

COMPANION PRODUCTS:

- Azalex Gel
- Emlite Cream
- Hyaluronic Moisturizer

SKIN TYPES: Dry, Combination, Oily, Problematic, Sensitive

EMLITE CREAM

Revitalizes skin's texture and tone and helps reduce the appearance of freckles, sun spots and age spots

KEY INGREDIENTS:

- Phyllanthus Emblica Fruit Extract
- Apricot Kernel Oil
- Aloe Leaf Juice

KEY BENEFITS:

- Promotes a more even, youthful, lighter complexion
- Contains a safe, neutral alternative to hydroquinone
- May be used daily and is safe for pregnant or nursing women
- Non-photosensitizing, non-drying and non-irritating

WHY IT WORKS:

- Contains phyllanthus emblica, which is clinically proven to help reduce hyperpigmentation and UV-induced pigmentation
- Evens skin tone without irritation

CLINICAL USE:

Use as part of pre-treatment preparation

HOW TO USE:

Apply liberally to face once a day. For best results, use daily for 6-9 weeks.

COMPANION PRODUCTS:

- Azalex Gel
- Retinol Cream
- GF-DNA Serum

SKIN TYPES: Dry, Combination, Oily, Problematic, Sensitive
